

Disposable Drapes

Single-use products offer the ultimate in infection control and reduce the risk of cross-contamination.

- **Made of soft, linen-like material** that is warm and comfortable
- **Fluid-resistant**, yet lightweight, breathable material
- Provides **optimal patient comfort**
- Same **consistent product** every time
- **None of the stains, rips, and tears** that happen with washed linens
- **Optimal storage space** — disposables take up less storage space compared to linens
