

# PROTECTION COMES FULL CIRCLE

## 360° Wrap-Around™ Isolation Gown from Graham Medical

- 3-arm design is easy to use, offering full comfort and range of motion while ensuring 360° of protection for patient and provider
- Reduce cross-contamination with disposable gowns – *A new, clean gown for every use*
- Save on linen, laundry and loss costs with single-use products
- Nonwoven material is comfortable, durable and lightweight

PERFORMS TO  
**AAMI LEVEL 2**  
STANDARDS

3-arm design brings maximum protection, total convenience and the simplicity of single-use.
