

Recycling Opportunities:

Graham Medical's scrubs, as well as single-use fitted sheets and pillowcases, can be recycled and reprocessed into products such as yarn, rope and jackets.

For more information on recycling of Graham's products please contact Cathy Schuch at: cschuch@littlerapids.com

Single-use products offer the ultimate in infection control and reduce the risk of cross-contamination.

- Made of soft, linen-like material.
- Fluid resistant, yet lightweight, breathable material.
- Latex-free and powder-free.
- Expect the same consistent product each time, every time.
- Avoid stains, rips and tears with linen equivalents.
- Features soft knit cuffs and collar for added comfort.

**Improve work place safety
 with lighter weight jackets.**

(75% lighter weight than linen scrubs.)

NEW!
