The Promise of Protection™

MEGAMOVER® PORTABLE TRANSPORT UNITS

Innovative patient rescue and transport units designed to assist in situations where stretchers cannot.

- Sanitary and disposable
- Strong, secure design holds up to 1,000 lbs.
- Durable, compact, and cost effective
- Multi-position handles for added safety

MegaMover®

- Each unit weighs only one pound
- Stronger and easier to grip than a flat sheet

MegaMover® Select™

- Multiple grip options allow for safer patient lifts
- Pull straps for situations where pulling a patient is safer than lifting

MegaMover® Transport Chair

- Allows for patients to be carried while seated
- Eight handles for ergonomic lifting

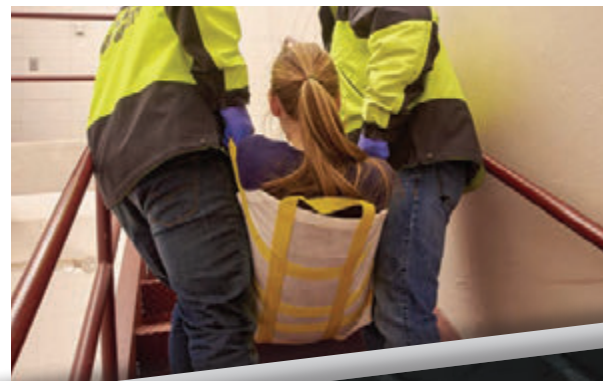

MegaMover® Plus accommodates standard backboards for immobilization.

Also available with PowerGrips™ for added comfort and durability.

The MegaMover® Transport Chair is ideal for carrying patients in areas of limited space.
