

CUSTOM. COMFORT. CONVENIENCE.

Graham works for you, providing solutions to meet your customers' needs. Check out the new maroon color for scrubs and gowns!

- Made of soft, linen-like material that is fluid-resistant, yet lightweight, breathable material
- Features an elastic, latex-free waistband and sewn V-neck for optimal patient comfort and fit
- Reduce cross-contamination and the risk of HAIs with disposable products
- Eliminate laundering costs and reduce storage space
- Avoid the stains, rips, and tears that happen with traditional linens
