- Cost saving alternative.

### Superior Absorbency and Easy Clean Up

Abbi® Absorbent Mats are the affordable alternative to other industry solutions and you won't be disappointed on their performance. Absorbing 10X their weight in liquid, Abbi® Mats are quick and efficient in preventing messes, as well as cleaning up after them.

They are a highly effective fluid barrier that allow for quick and efficient room turnover. Place the Abbi® Mat in areas where fluid management is needed and use additional mats to absorb excess fluids near the source. Abbi® Mats can also be used to clean or "mop" up excessive fluids.

Made from multi-layer, highly absorbent nonwoven material with poly backing.
